Water Pumping Equipment Rental Terms and Conditions

PUMPING EQUIPMENT SHALL NOT BE USED TO PUMP EFFLUENT

1. Equipment: “equipment” means;
 - a) Power take off (PTO) pump together with screened intake and discharge hose
 - b) Additional pumps
 - c) Thirty foot sections of six inch aluminum pipe on a one-half mile or one mile trailer equipped with brakes and lights for highway travel
 - d) Each additional one-half mile or one mile of pipe and trailer
2. The Basic rental charge is defined as the rental charged for equipment and pumping up to 24 hours. The Basic rental charge provides the renter an equipment possession period of up to three days. Rental charges for pumping each additional day or portion thereof will be in accordance with the rates as shown in the program profile then in effect. Permission for an extension must first be obtained from the Supplier at 306.867.9252.
3. The Water Security Agency, at its sole discretion, may initiate an extended possession charge of \$75.00 per trailer of pipe and pump per day or any portion thereof, if the Renter fails to return equipment as per the scheduled equipment return date.
4. The Renter is responsible for all damage to the equipment, including damage from freezing, other than ordinary wear and tear resulting from proper use of the equipment. The Water Security Agency or its designate will assess and determine whether there is damage beyond reasonable wear and tear and the monetary amount of such damage. The damage deposit will be applied to any damage of the equipment that is assessed to the Renter. The balance, if any, will be applied to the total rental charge of the equipment if such further amount is owing.
5. The Water Security Agency or its designate reserves the right to enter lands to inspect the equipment or observe its use.
6. The Water Security Agency, its employees or agents, are not responsible for any claims, actions, suits, proceedings, costs, expenses, damages and liabilities, including attorney’s fees arising out of, connected with, or resulting from the rental of equipment, including without limitation, possession, use, operation and all transportation associated with delivery or return of the equipment.
7. The Renter will notify the Supplier at 306.867.9252 immediately if any accident occurs, or if the equipment is damaged, stolen or found to be deficient upon possession, during setup or operation.
8. The Renter affirms the equipment will be used in accordance with the terms and objectives of the pumping program and for the purpose stated in the application for equipment rental and will not be used by any other individuals or for any other purpose unless otherwise approved by the Water Security Agency.
9. The Renter will comply with the instructions regarding the transportation and use of the equipment in accordance with the “Water Pumping Equipment Instructions.” Receipt of a copy is hereby acknowledged.
10. The Renter is responsible for obtaining approval/permission to pump from or cross private lands, operate alongside public roads or highways, or to cross private roads.
11. The Water Security Agency, or its agents, reserves the right to withdraw and recall equipment from service at any time.

After applications and fees have been collected by the Water Security Agency, the Renter will be contacted by the Supplier to coordinate equipment pick up and drop off. The Supplier can also be contacted for trouble shooting as well as emergency replacement.
